

Blenheim Photography Portrait Parties

Everyone loves photographs of their children, and everyone loves value for money – why not combine the two with a portrait party?

All you have to do is invite 5 other families to your home – each guest pays £5 per “invitation” but this is refundable against any photos they go on to purchase. You’re the hostess so your invitation is of course free. Even better you get a Hostess Gift as a thank you – Portrait Pack “A” which consists of one 10” by 8” photo, two 7” by 5” photos and four 5” by 4” photos (pack is worth £30).

At the party, each family gets a 20 minute shoot and then in the next 48 hours the images are loaded online with each family having their own, password protected online gallery. Guests then email us with their choice of photos and we add up the total and the hostess gets 10% of that amount to spend on more photos for herself !

Why have a party rather than a private shoot? The most popular reason is cost – by sharing the session between your family and five others, you each save a £25 sitting fee and in turn we can reduce the cost of the photos available to you because we can order in bulk – we can even offer a selection of good value “Print Packs” which will save you up to £82.50 on individual prices !

Interested? Call us now on 01531 822565 or email info@blenheimphotography.co.uk and book your party now !
